## Empty Bowls

is an international grassroots effort created by The Imagine Render Group to fight hunger.

IU East Ceramics students and community potters create handcrafted bowls. In exchange for a cash donation to benefit Exodus Refugee Immigration, guests select a bowl\* which will be filled with their choice of delicious soup. Donors keep their bowl as a reminder that someone's bowl is always empty.

\*Limit one bowl per person.

Refugee Resettlement is a humanitarian program that provides protection and opportunity to refugees fleeing persecution and war. Agencies such as Exodus provide services to refugee newcomers from the point of arrival to self-sufficiency. The United States has a long history of welcoming immigrants and refugees. Refugees have built new lives, homes and communities in towns and cities in all 50 states.
