

## Frequently Asked Questions

### Exodus Refugee Immigration – Bloomington Sub-office

#### How can I volunteer with the Bloomington office?

Exodus is in the first stages of setting up its Bloomington office, and is not yet looking for volunteers. When we are ready to recruit volunteers, we will post opportunities on our Exodus Refugee Bloomington Facebook page. Please visit our new Facebook page at [www.facebook.com/ExodusRefugeeBloomington](http://www.facebook.com/ExodusRefugeeBloomington) for updates on when we will be ready to accept volunteers in this office.

#### I have new and gently used household items to donate—where can I drop these off?

Exodus does not yet have a physical office in Bloomington, so we are not ready to accept donated household items yet. However, we may be asking for these items soon. Please keep an eye on our Facebook page to see when we need these items!

#### What do you need right now?

Right now, Exodus is focused on two things. First, we want to help make the Bloomington community aware that we will be starting a sub-office in Bloomington. You can help raise awareness by spreading the word about our new office! Second, Exodus is raising financial support so that we can help get our office off the ground. You can donate to Exodus to help us get the Bloomington office started!

#### How do I donate to Exodus?

#### I would like to help you house refugees—what can I do?

We will be looking for apartments and rental homes for refugee families in the Bloomington area soon! Typically, we seek out affordable single family homes near grocery stores and public transportation stops. We are not seeking out shared living arrangements with other families at this time.
